****NO PURCHASE ORDERS PLEASE and NO REFUNDS****

It's that time of year for Our 39th Annual Workshop so.... **MARK YOUR CALENDARS!!**

We are honored to have several wonderful presenters at this year's workshop. Presenting for us will be Kelly Rizzi, Director of School and District Support of Shasta County Office of Education Instructional Services. Joining her will be Scott Rea, President of CASTO Chapter 7, Leann Kenley from the California Department of Education as well as Donna Anderson who is retired from the California Department of Education.

Topics that will be discussed are: "Terrain-ing the Roadways", "Mirror, Mirror on the Bus", "Student Loading and Unloading", "Distracted Driving" and "Understanding Students Challenging Behaviors".

We encourage everyone to attend...Don't miss out on some very valuable information!

****Breakfast refreshments and lunch will be provided****

You will earn six hours of in-service credit!

There will be a 50/50 Drawing as well as a Raffle Drawing on some great items!

We ask that each District provide a raffle item or raffle basket for our raffle, so the hardship is not put on one or two people!

Let's make it another great raffle!

Any questions, feel free to contact:
Tania Kaylor, Chapter President: 945-7369
