

MECHANICS & MAINTENANCE SUPERVISOR WORKSHOP AND TRADE SHOW
Tahoe Truckee Unified School District Transportation Facility
JULY 25 & 26

Supervisor Program Descriptions

All Supervisor Programs will be held in the Break Room (See Map)

8:00-9:30 Building the Ultimate School Transportation Facility

Presenter: Dave Anderson, Retired Director of Transportation, Adams 12 School District, Thornton, CO A seminar which focuses on the design and construction of a school bus maintenance and repair facility which meets all the needs of your district's transportation department. Regardless of whether participants are in the process of designing/constructing a new facility or not, there will be many ideas which can be implemented in their current facilities.

10:15-11:30 The Benefits of ASE Mechanic Certification

Presenter: Walt Commans, Western States Consultant, Automotive Service Excellence (ASE). There is no requirement for school bus technician certification in California. ASE has a very well-respected maintenance technician testing and certification program that can ensure your buses are maintained by skilled professionals

1:00-2:15 How to Evaluate Your School Transportation Program and Shop

Presenter: Mike Rea, Consultant Leadership Development & Mentoring. This program will assist a new or experienced Transportation Director to evaluate their transportation program to ensure effective, efficient school transportation at the lowest cost

3:15-4:30 School Transportation Fleet Best Practices

Presenter: Dave Anderson, Retired Director of Transportation, Adams 12 School District, Thornton, CO A roundtable seminar which focuses on best practices from school districts and fleets across the school transportation industry. Participants will receive suggestions on tools, programs, and performance metrics with data collection to better manage the fleet. Additionally, participants will benefit from discussions with each other on what works for their respective departments.

MECHANICS & MAINTENANCE SUPERVISOR WORKSHOP AND TRADE SHOW
Tahoe Truckee Unified School District Transportation Facility
