**CASTO CHAPTER 13  
SCHOOL BUS DRIVER TRAINING WORKSHOP  
SCHEDULED LIST OF SPEAKERS:**

**Shirley Fisher**

Driver Trainer, Widefield School District 3

**Safety and Securement Training for the Special Needs Driver**

This program will be a Hands-On Training for CSRS, Wheelchair Securement, and Sensitivity during the Loading and Unloading of Exceptional Students.

**Rachelle Lynch, MSW**

Sonoma County Human Services Department, Family, Youth & Children's Division

**Mandated Reporter Training**

This is the initial 1.5-hour Mandated Reporter Training module for educators that satisfies the new AB1432 requirement. The training provides updated information on the current California laws regarding mandated reporting of suspected child abuse and neglect. Participants will gain the skills they need to more accurately identify indicators of child abuse and neglect. They will also learn how Family, Youth, and Children's Services makes decisions and what resources and services it offers to families.

**Dayle Cantrall**

Program Manager for Special Education San Juan Unified School District

**Dealing with Behavior in Route**

Students who do not follow rules can be frustrating to work with. While we want to hold everyone to the same expectations, we need to know if they are a General Education student, or a student with an IEP prior to handing out consequences. Mainstreamed bus routes can make things even more difficult to manage. We will explore the who, what and why's behind the behavior and how best to get the support you need to transport.

**DIRECTIONS TO CLOVERDALE CITRUS FAIRGROUNDS**

From HWY 101 in Cloverdale, Exit at Citrus Fair Drive, go westbound. The road will take you right to the Fairgrounds.

**LODGING**

Lodging is available in Cloverdale and neighboring communities. In Cloverdale there is a Super 8 Motel (707-894-9288) and a Cloverdale Wine Country Inn and Suites (707-894-7500) which is directly across the street from the Citrus Fairgrounds.

RE: CHAPTER 13 DRIVER'S WORKSHOP FOR INSERVICE HOURS  
MEMBERSHIP IN CHAPTER 13

Welcome back to another school year. On behalf of CASTO and all of our school transportation "family" I wish you a school year filled with pleasant surprises, safe and accident-free bus routes and field trips, and health and well-being.

I invite and encourage all school transportation supervisors, directors and administrators to join and be involved in CASTO. There are so many wonderful opportunities to enhance your career, bounce ideas off your peers and create long and meaningful professional affiliations. Please join CASTO so we can be a stronger organization. This year's workshop fee will be \$55.00. This will include enrollment in CASTO Chapter 13 for the 2018-19 School Year. Your membership helps us send our message to Sacramento!

As a dedicated school transportation professional, you know how important it is to maintain your certificate, complete your inservice training, network with old friends and make new ones and generally recharge your batteries.

CASTO Chapter 13 has scheduled its annual Driver's Workshop for Saturday October 20, 2018 at the Cloverdale Citrus Fairgrounds. This is an opportunity to accomplish the above. Enclosed is the registration form for the workshop. Please register soon, as we expect this workshop to fill up quickly!!

In support of CASTO, we encourage Districts and Companies to prepare a gift basket that can be raffled off at the workshop. The basket can be simple or elaborate and should reflect your operation, town or area. Thank you in advance for your participation.

I hope to have regular communication with Chapter 13 members, keeping you current relative to activities at the State level, new legislation, etc. Please contact me if you have any news from your operation or County. I would love to send in some articles to be published in CASTOways this year. In addition, you are always welcome to attend our regular Chapter 13 meetings. Our next two meetings are scheduled for Thursday September 27 and Thursday December 6 at 6:00 pm in the Staff Room at the Old Adobe Maintenance and Transportation Facility. The address there is 2856 Adobe Road, Petaluma, CA. Check website for meeting location changes prior to departure. At the December meeting we will be judging Poster Contest entries. The Poster Contest information can be found at [www.casto13.org](http://www.casto13.org). Encourage your schools to participate!!
